## MISERY FROM WEAK KIDNEYS AND RHEUMATISM VANISHES

Cut this out and put in some safe place, for it is valuable and worth more than anything else in the world if you should have an attack of rheumatism or bladder trouble or any derangement of the kidneys whatever.

The prescription is simple and can be made up by anyone at home. The ingredients can be had at any good prescription pharmacy and all that is necessary is to shake them well in a bottle.

Here it is: Fluid extract dandelion, one-half ounce; compound Kargon, one ounce; compound syrup of sarsaparilla, three ounces.

Take a teaspoonful after each meal and at bedtime. A few doses is said to relieve almost any case of bladder trou-

ble, frequent urination, pain and scalding, weakness and backache, pain above the kidneys, etc. It is now claimed to be the method of curing chronic rheumatism, because of its direct and positive action upon the eliminative tissues of the kidneys. It gives them life and power to sift and strain the poisonous waste matter and uric acid from the blood, relieving the worst forms of rheumatism and kidney and bladder troubles. The extract dandelion acts upon the stomach and liver and is used also extensively for relieving constipation and indigestion. Compound sarsaparilla cleans and enriches the blood. There is nothing better than Kargon Compound for the kidneys.

This prescription is safe to use at any time.

### Join our Sewing Machine Class

Procure a \$50 Machine for \$25—\$2 Down, \$1 a Week

The sewing machine is a wonderful invention.

No invention for the simplification of woman's work equals it.

As it stands today the machine reflects the highest type of inventive genius.

It has been perfected from time to time during the 60 odd years since the first machine was conceived. At the same time the cost of the machine has steadily decreased.

Business genius has been at work.

The old method of getting the machine to the people is obsolete.

The new way is through the aggressive department store—from factory in car lots to the store, thence to the people, thereby eliminating state, district and local offices attached to which were officers, office force and the individual salesman.

Think of the tremendous saving in salaries—which the buyer paid for.

Keith-O'Brien delivers the machine direct—at practically half the regular price.

No wonder our Sewing Machine Club is a splendid success.

The Triumph machine, which Keith-O'Brien offers its club members at \$2.00 down and a \$1.00 a week until paid for—and delivered as soon as one joins the club—is one of four of the best known makes on the market.

Car lots direct to Keith-O'Brien, thence to the people! Glorious news, that! For who wouldn't rather pay \$25.00 than \$50.00.

A special representative of the factory is with us for a week or two. He wants to tell you about the Triumph and show you its workings. No matter how much you know about machines he can help you.

Join the club Monday.
